Surrounded by familiar faces, the people that you love  
to see  
Where everybody knows your name, and they're  
smiling  
We may not be gettin' younger, our days might be  
slippin' away  
Yeah we're still so fucking young, so we'll party like  
it's our last day

And for the first time, I feel less alone  
And for the first time, I can call this home

It's our last time, to say goodnight  
Don't say goodbye, 'cause in the morning we'll  
we'll see you around  
And we'll sing it again, same time tomorrow, yeah we'll  
all join in

I'm ashamed of feeling down now  
'Cause we're the people we've been waiting on  
All we needed was some good friends  
And a song to sing a long  
With voices yelling in the front room  
No one could tell us keep it down  
So we all just kept it loud, and tried to wake the  
entire town

And for the first time, I feel less alone  
And for the first time, I can call this home

It's our last time, to say goodnight  
Don't say goodbye, 'cause in the morning we'll  
we'll see you around  
And we'll sing it again, same time tomorrow, yeah we'll  
all join in

It's our last time, to say goodnight  
Don't say goodbye, 'cause in the morning we'll  
we'll see you around  
And we'll sing it again, same time tomorrow, yeah we'll  
all join in

Oh each days a number, but we can't forget last  
summer  
When we say we do, we're on to the end  
Go on and sing it out  
Our days are numbered, we know we're not gettin' any  
younger  
But it's nights like these that make you not really  
care

Oh each days a number, but we can't forget last  
summer  
When we say we do, we're on to the end  
Go on and sing it out  
Our days are numbered, we know we're not gettin' any  
younger  
But it's nights like these that make you not really  
care

We all have been degraded  
We all have been the greatest  
We all have been degraded  
We all will be the greatest
