All I see are heartaches  
And all I see are tears  
All I see is darkness  
Up against this wall  
Can you turn it into something?

All I see is pain  
All I see is fear  
All I see are tears, babe  
Can you climb up every wall?  
Can you turn it into something?

I've been waiting for so long  
Just to tell you I was wrong  
Gonna find this love we had  
Gonna try to change

I've been waiting for so long  
Just to tell you I'm the one  
Don't change your mind this time  
Will I find you here?

All I see are heartaches  
And all I see are tears  
And all I see is a darkness  
Since you put me here  
To be up against this wall  
Gonna try to make you love me

I was waiting for so long  
Just to tell you I've been wrong  
To save this life you had  
Gonna try to change

I've been waiting for so long  
Just to tell you, I'm the one  
To save this love we had  
Gonna try to change

Got me up against this wall  
Can you turn it into something?
