I never wanted to love you but that's okay
I always knew that you'd leave me anyway
But darlin' when I see you, you see me

I asked the boys if they'd let me go out and play
They always said that you'd hurt me anyway
But darlin' when I see you, I see me

And it's alright, I never thought I'd fall in love again
It's alright, I look to you as my only friend
It's alright, I never thought that I could feel
There's somethin' risin', risin' in my veins
Looks like it's happened again

I never thought that you wanted for me to stay
So I left you with the girls that came your way
And darlin' when I see you, I see me

I often thought that you'd be better off left alone
Well, throw a circle 'round a man with broken bones
But darlin' when I see you, I see me

And it's alright, I never thought I'd fall in love again
It's alright, I look to you as my only friend
It's alright, I never thought that I could feel
There's something risin', risin' in my veins
Looks like it's happened again

You always looked like you had somethin' else on your
mind
When I try to tell you, you tell me "nevermind"
But darlin' when I see you, you see me

I wanna tell you that I never loved anyone else
You wanna tell me that you're better off by yourself
But darlin' when I see you, you see me

This is not what I'm like, this is not what I do
This is not what I'm like, I think I'm fallin' for you
This is not what I'm like, this is not what I do
This is not what I'm like, I think I'm fallin' for you

This is not what I'm like, this is not what I do
This is not what I'm like, I think I'm fallin' for you
This is not what I'm like, this is not what I do
This is not what I'm like, I think I'm fallin' for you

I never thought
(This is not what I'm like, this is not what I do)
I never thought
(This is not what I'm like, I think I'm fallin' for you)
I never thought, I never thought
(This is not what I'm like, this is not what I do)
I never thought
(This is not what I'm like, I think I'm fallin' for you)

I never thought that I could feel
There's somethin' risin', risin' in my veins
And it looks like I feel
There's something risin', risin' in my veins
Looks like it's happened again
