

## Magic Numbers "Love Is A Game"

Visit "[Love Is A Game](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Oh, maybe I think, maybe I don't  
Maybe I will, maybe I won't  
Find my way this time  
I hear you calling me soon

One of these days  
Somebody stays and somebody pays  
It happens all the time  
I'll be leaving, believing you wanted me to

Maybe I'm a fool for walking in line  
Maybe I should try to lead this time  
I'm an honest mistake that you make  
Did you mean to?  
Did you mean? Did you mean?

Love is just a game  
Broken all the same  
And I will get over you  
Love is just a lie  
Happens all the time  
Swear I know this much is true

And they collared you up  
And collared you down  
And colored you in  
And I've been waiting so long  
To take you home

And maybe I think, maybe I don't  
Maybe I will, maybe I won't  
Find my way tonight  
But I hear you calling me soon

Maybe I'm a fool for walking in line  
Maybe I should try to lead this time  
I'm an honest mistake that you make  
Did you mean to?  
Did you mean? Did you mean?

Love is just a game  
Broken all the same

And I will get over you  
Love is just a lie  
Happens all the time  
Swear I know this much is true

Maybe IÃ,"m a fool for walking in line  
Maybe I should try to lead this time  
IÃ,"m an honest mistake that you make  
Did you mean to?  
Did you mean? Did you mean?

Love is just a game  
Broken all the same  
And I will get over you  
Love is just a lie  
Happens all the time  
Swear I know this much is true
