I don't wanna tell her, no, don't wanna tell her  
I lie awake in the dark  
Lost in the beat of my heart  
Well, baby look over your shoulder, you're not alone in  
this love

And I don't wanna tell her, no, don't want to tell her  
I've been thinking of you  
Lost in the things that you do  
Maybe it's over but over is not a word that you know

And if it hurts me baby, you know why  
Going along  
Hurt me baby, if you like  
It's already gone

Well, I don't wanna tell her, no, don't wanna tell her  
I've been calling your name  
Each time it feels it's in vain  
Well, maybe it's over but over is not a word that you  
know

And I don't wanna tell her, no, don't want to tell her  
I've been falling apart  
Broke every rule from the start  
Well, baby look over your shoulder, you're not alone

It hurts me baby, when you try  
To go it alone  
So you can hurt me baby, if you like  
You're already gone

This is a song  
And these are the words  
This is a song  
And these are the words

This is a song  
(Don't wanna hear it, don't wanna hear it)  
(I don't wanna hear it, don't wanna hear it)  
And these are the words  
(I don't wanna hear it, don't wanna hear it)

(I don't wanna hear it, don't wanna hear it)

This is a song

(I don't wanna hear it, don't wanna hear it)

(I don't wanna hear it, don't wanna hear it)

And these are the words

(I don't wanna hear it, don't wanna hear it)

(I don't wanna hear it, don't wanna hear it)

This is a song

(I don't wanna hear it, don't wanna hear it)

(I don't wanna hear it, don't wanna hear it)

And these are the words

(I don't wanna hear it, don't wanna hear it)

(I don't wanna hear it, don't wanna hear it, I)

Well, I could be wrong

This is a song

This is a song

Hurt me baby, if you like

I don't wanna tell her, no, don't wanna tell her

I lie awake in the dark

Lost every beat in my heart

Well, maybe it's over but over is not a word that you  
know

Do you wanna know why?

Do you know why?

Do you know?

She goes why
