I can't sleep a wink anymore  
Ever since you first walked out the door  
Then I just started drinking to forget  
But I don't think the worst has happened yet

All you ever do is bring me down  
Making me a fool all over town  
They all wonder why I wear a frown  
That's cause honey,  
all you do is bring me down

It's funny how my whole world fell apart  
I think I saw it coming from the start  
I tried to tell myself that you'd be true  
But I expected way too much of you
