"Come Unto Me"

Visit "[Come Unto Me](#)" on MotoLyrics.com

If your world has only done you wrong
And all you find yourself is all alone
And if there's no one there to see you through
I'll be there for you

And in your darkest hour I'll be light
I'll be your beacon through the longest night
Like Samson and Delilah once again
Until the bitter end

There is nothing that anyone can say to me
To persuade me to change my mind needlessly
For here I am and I will stay
To long for you in every way
To love you better, come what may
To fight for you another day, day, day

Come unto me
Come unto me
Come unto me
Come unto me

There is nothing that anyone can say to me
To persuade me to change my mind needlessly
For here I am and I will stay
To long for you in every way
To love you better, come what may
To fight for you another day, day, day

Come unto me
Come unto me
Come unto me
Come unto me
