(Raul Malo, Al Anderson)

Fool #1

Is what I've been known to be
But only for you
My love

Still so in love
And you make believe you don't know me
Now I'm cryin' and I'm dyin' to know
Is it so

Every night I hope and pray
Maybe somehow, maybe someday
That when you come around
To the lonely side of town
I'll still be waiting here
I'm your fool #1

I've made mistakes
You say you will never ever forgive
If only you would
My love

There'll come a time
When you will be lonely too
You'll be wondering
And you'll be wanting to know
Where did I go

And every night you'll hope and pray
Maybe somehow, maybe someday
That when you come around
To the lonely side of town
I will be waiting here
I am your fool #1

And you'll be wanting to know
Where did I go

And every night you'll hope and pray

Maybe somehow, maybe someday
That when you come around
To the lonely side of town
I will be waiting here
I am your fool #1
You know I will be waiting here
I'll be your fool #1
