hey good lookin' what cha got cookin'  
how's about cookin' something up with me  
well I'm free and ready so we can go steady  
how's about keepin' steady company  
I got a hot rod Ford and a two dollar bill  
and I know a spot right over the hill  
there's soda pop and the dancin' free  
but if you wanna have fun come along with me  
I said, hey good lookin' what cha got cookin'  
how's about cookin' something up with me  
I'm gonna throw my datebook over the fence  
and find me one for five or ten cents  
I'll keep it 'til it's covered with age  
because I'm writing your name down on every page  
I said, hey good lookin' what cha got cookin'  
how's about cookin' something up with me  
I got a hot rod Ford and a two dollar bill  
and I know a spot right over the hill  
there's soda pop and the dancin' free  
but if you wanna have fun come along with me  
I said, hey good lookin' what cha got cookin'  
how's about cookin' something up with me  
how's about cookin' something up with me  
how's about cookin' something up with  
I said good lookin'  
well, how's about cookin' something up with me
