(Ken Alphin, Jaime Hanna)

I'm contemplating, constantly debating
yeah, I'm thinking I've been falling in love with you
I hope you want me, too
you're incredible, so irresistible
it's undeniable, I'm really fallin' in love with you
I hope you want me, too, I hope you want me, too
you caught my attention then you grabbed my heart
I felt your good vibrations right from the start
I can't seem to bring myself to say
I'm contemplating, constantly debating
yeah, I'm thinking I've been falling in love with you
I hope you want me too
you're incredible so irresistible
it's undeniable, I'm really fallin' in love with you
I hope you want me, too
no, I don't want to move too fast
I want to make sure that it's gonna last
but I've been afraid to tell you
I'm contemplating, constantly debating
yeah, I'm thinking I've been falling in love with you
I hope you want me too
you're incredible so irresistible
it's undeniable, I'm really fallin' in love with you
I hope you want me, too
no, I don't want to move too fast
I want to make sure that it's gonna last
but I've been afraid to tell you
I'm contemplating, constantly debating
yeah, I'm thinking I've been falling in love with you
I hope you want me too
you're incredible so irresistible
it's undeniable, I'm really fallin' in love with you
I hope you want me, too, I hope you want me, too
I hope you want me, too ...
