"Lies"

Lies, all I ever hear is lies
Tears, they start falling when you make me cry
You found a way to cast your spell on me
I will be the fool that I will always be

Time, you'd think with time I'd learn a thing or two
But it's time to face the truth
I believe in all your lies

Love, pretend you're lovin' me tonight
Wrong, it may be wrong but baby that's alright.

Time, you'd think with time I'd learn a thing or two
But it's time to face the truth
I believe in all your lies

Time, you'd think with time I'd learn a thing or two
But it's time to face the truth
I believe in all your lies

I believe in all your lies
I believe in all your lies
I believe in all your lies
