"Strength To Say Goodbye"

Like a seed that becomes a beautiful flower,
I saw you grow up to be the woman i love.
Like a flower that grows and stays through storms,
You've hurt me like i never hurt before.
I remember the time with family and friends,
Summer vacations we hoped never end.
But it ended before we gave it a try

But we still can't find the strength to say goodbye.

No matter how many years i've tried.
No matter how many tears i've cried.
Who's to say who was wrong or to say who was right.
But we'll never find the strength to say goodbye.

(guitar play)

No matter how many years i've tried.
No matter how many tears i've cried.
Who's to say who was wrong or to say who was right.
But i still can't find the strength to say goodbye.

Well we're both married now to people we love.
If my wishes come true i'm the one you're thinking of.
So we'll turn and we kiss our lovers goodnight.

But we still can't find the strength to say goodbye.
No we'll never find the strength to say goodbye.
No we'll never find the strength to say goodbye.
