(Raul Malo)

I heard you say to me  
there were no guarantees  
and that the world could make you cry  
and then you let me go  
but I still wanna know  
tell me why, tell me why  
na - na -na - na - I  
I - I - I - I  
maybe it's destiny  
maybe it's just for me  
tell me why, ooh why  
darlin' you let me go  
but I still wanna know  
tell me why, tell me why  
na - na -na - na - I  
ooh want you tell me why  
I - I - I - I  
na - na -na - na - na - I  
darlin' you let me go  
but I still wanna know  
tell me why, tell me why  
na - na -na - na - I  
ooh want you tell me why  
I - I - I - I  
na - na -na - na - I  
maybe it's destiny  
maybe it's just for me  
tell me why, ooh why
