

Medieval "Visible Shallow Self"

Hatred floods your veins,
lessening self worth,
hatred floods your veins,
lessening self worth,
chunks of demolished mind put to waste.

Visible Shallow Self.

Brainwashed into submission,
narrow minded condition,
horrid disorder

Visible Shallow Self.

Identity extracted,
Subdued defeated,
Defenseless profoundly,
devoted stare.

Identity extracted,
Subdued defeated,

Defenseless profoundly,
devoted stare.

Falsify within yourself,
conscious decision,
Intentions surpassed,
Brainwashed into submission,
Narrow minded condition,
horrid disorder

Visible Shallow Self.

Identity extracted,
Subdued defeated,
Defenseless profoundly,
devoted stare.

Identity extracted,
Subdued defeated,
Defenseless profoundly,
devoted stare.
