(Jascha Richter)

In my search for freedom  
and peace of mind  
I've left the memories behind  
Wanna start a new life  
but it seems to be rather absurd  
when I know the truth  
is that I always think of you

Chorus:  
Someday someday  
together we will be baby  
I will take and you will take your time  
We'll wait for our fate  
cos' nobody owns us baby  
We can shake we can shake the rock

Try to throw the picture out of my mind  
try to leave the memories behind  
Here by the ocean  
wave's carry voices from you  
Do you know the truth  
I am thinking of you too

Chorus:  
Someday someday  
together we will be baby...

The love we had together  
just fades away in time  
And now you've got your own world  
and I guess I've got mine  
But the passion that you planted  
in the middle of my heart  
is a passion that will never stop
