"The God I Know"

I was quick to anger and my love was slow
Tried to keep from danger to protect my soul
Afraid to let a neighbor in my home
Afraid to become just like the God I know

Walked on water, sank when I looked back
I forgot that faith is not a matter of fact
Jesus showed me something different

THERE IS ONE THING I KNOW FOR SURE
I CAN'T LET FEAR HIDE MY FAITH ANYMORE
THATS NOT THE GOD I KNOW

(I I I I)

He touched my eyes and I can finally see
That love is a dangerous philosophy
You and me have been hurt before
But that doesn't mean we keep closing the door

Complacency can be the worst disease
The cure is here, believe the mystery
That Jesus' love is so much different../

CHORUS

Love's like a fire, let it burn
And Don't ever let it out
Let em know what it's all about

So give whatchu got and you'll find
When we're livin dangerous
All of us, can change this town
