All this time I have wasted
I could have been with You
My darkest nights, lost and faithless, so ashamed

But somehow You don't care where I've been
Now my heart is Yours
Then and there, still yesterday was gone
Anything I was before doesn't matter anymore
'Cause You don't care

I have tasted sweet redemption
All forgiven
To take me back

I know that You don't care where I've been
Now my heart is Yours
Then and there, still yesterday was gone
Anything I was before doesn't matter anymore
'Cause You don't care

God, I love the way You are
You don't care

But somehow you don't care where I've been
Now my heart is yours
Then and there, still yesterday was gone
Anything I was before doesn't matter anymore
'Cause you don't care

Gotta love the way you are
You don't care
Lift me up, apart
You don't care
(You don't care)
