Somewhere between my faith and fear  
Out there beyond the truth  
Within the reach of my doubting heart  
I came face to face with You

I've never known a deeper place  
Inside my soul, I've gotta say

I love the way You move me  
My spirit's alive  
I can't deny, You move me

I used to need the evidence  
Right before my eyes  
But Your love became the push, the pull  
It took to realize

That You are the drive  
The forward motion  
In my life making me say

I love the way You move me  
My spirit's alive  
I can't deny, You move me  
Yeah, You move me, yeah

You move me  
My spirit's alive, I can't deny

I really love the way You move me  
Oh, God, I love the way, yeah  
You move, You move me, yeah

You move, You move me  
You move  
You move me, yeah
