Bedoone to sangam kenare to abram
Biya ta gerye konam sar omade sabram

Na gerye moonde baram na khande moonde baram
Faghat ye Kaboose koshande moonde baram

Kasi ke hastisho be vadehat dade
Ye bar bepors chera be in rooz oftade

Hamash tu in fekrām alan tu fekre chiye ?
Kojast chekar mikone alan kenare kiye ?

Bedoone to sangam kenare to abram
Biya ta gerye konam sar omade sabram

Age ye roz mordam biyao gerye kono
Ye shakhe niloofar bezar roye ghabram

Bedoone to sangam kenare to abram
Biya ta gerye konam sar omade sabram

Na gerye moonde baram na khande moonde baram
Faghat ye Kaboose koshande moonde baram

Ye hesse gijo semej hamishe hamdamame
Migan shekanje basse migam bazam kamame

Negat chera cheshmi be man nemidooze
Chera baraye delam delet nemisooze

To fekre zekre mani vali azam doori
Delet nakhaste mano nago ke majboori

Bedoone to sangam kenare to abram
Biya ta gerye konam sar omade sabram

Age ye roz mordam biyao gerye kono
Ye shakhe niloofar bezar roye ghabram
