eshghe kodom gharibe yehoo be jonet oftad?
chi shod ke kheyli sade eshamo bordi az yad?

ghalbamo bi tafavoot leh kardi zire pahat
goole negato khordam to ke faribe harfat

ahay! khabar nadari delam dare mimire?
hamdame bi kasi ha be bi bi kasi asire?

behesh begid hanoozam jash khaliye to khoonam
begid hanooz dad mizanam bagard dardet bejoonam
biya balat be joonam

rafti az inja, amma bedoon narafti az yad
nadidi vaghti rafti vasat ki dast tekoon dad

har ki mano mibine fekr mikone divoonam
divooneye to hastam, dard o balat be joonam

may every bad things that are supposed to be happened to you, happen to me
