Vaghti ke rafto mano az yad bord  
Harchi ke dashtam hamaro baad bord

Tu konje ozlate khodam neshastam  
Harchi ke ayne bood zadam shekastam

Zakhme zaboona be joon kharidam  
Az hame hatta az khodam boridam

Che eshghe naravaei  
Che dared bi davaei  
Che zakhme na tamoumi  
Che sarneveshte shoumi

Ba toam ey ke aberoumo bordi  
Koshti mano amma khodet namordi

Mesle ye kaboos omadiyo rafti  
Atish be zendegim zadiyo rafti

Raftiyo man moundamo khakestaram  
Balaye to kash nemiyomad be saram

Mesle ye kaboos omadiyo rafti  
Atish be zendegim zadiyo rafti
