cheshmam nemikhan bebinan,az bas azat badi didan ,
khubio bavar nadran,pas behtare baste bashan
behtare ke dur basham az,in eshghi ke dorughie
dorughi shod eshghe hame,in donya tush ki be kie
akh ke cheghadr zakhm khordam,ruzi hezar bar mordam
mage man in aramesho,az sare rah avordam
boro toam tanham bezar,vase jodai dir shode
azin hame begu magu,ghalbe javunam pir shode
dige mikham tanha basham,vase khodam chai berizam
mikham jaye mosht kubidan,gol bezaram ruye mizam
