to change abraye bahar oftadam o dar nemiyam
cheshmamo sarzanesh nakon, az paseshoon bar nemiyam

pir shodam to in ghafas, yekam behem nafas bede
rahm mo morovatet kojast? javooniyamo pas bede?

fekr nemikardam bezari zar o zamingir besham
fekr nemikardam ke ye rooz in joori tahghir besham

on hame ke delam barat be abo atish zade bood
of you

hatta age sang boodi, delet be rahm omade bodi
delesh nakhast o nemikhad ye rooz be harfam berese
my words are true

shayad mikhad raghibe man be arezooam berese

pasande man to hasti ke in hame bakhte man siyast
delbare khodpasande man, gholeye khoshbakhti kojast?

azat mikhastam bemooni, behet migoftam ke nari
in rooza nisti ama baz be pat mioftam ke nari

to fekretam amma delam het mige fekresham nakon

don't think about her...
yekam be fekre to nabood
pas dige fekresham nakon
