az in bala niga kardam, zamin mano seda mizad
yeki migoft bepar paeen, yeki to ghalbam ja mizad

vaghte tamoom kardane kar, shahamate del boridan
khat keshidan doore hame be hesse parvaz residan

hala bayad chikar konam? khatereha ro khat zadam
kari ke inja nadaram, gozashtano khoob baladam

baraye gerye kardanat, yeki do roozi kafiye
siyah bepoosh baraye man, inam baraye ghafiye

faghat man az inja miram, fek nakonam chizi beshe
na asemoon zamin miyad, na abri barooni mishe

harfaye akharo zadam, karo bayad tamom konam
heyfe ke in saniye ro baraye harf haroom konam
