Haftehayeh talkhe man booyeh tanhaei midan
Nemidoonam ke yehoh chera injoori mishan

Bi to haftehayeh man pore ghoseo ghaman
Pore ghoseo ghaman bi to haftehayeh man

Hafteha migzare amma gole man nayoumade
Daram az ghosse mipoosam cheghad in roozah bade

Poram az tanhaei poram az ghosse gham
Bikhiyal aslan to nemifahmi chi migam

Marge har lahze baram ghamatam ab shode
Dele por taghate man dige bitab shode

Boghze tanhaeiye man bi to dare vah mishe
Engari ke rooham az tane to joda mishe

Vaghti nisti donyah mesle zendoone baram
Bi to chizi joz gham dige nemimoone baram

Khune zandoone baram najiye azadi
In hame zendoono to be ghalbam dadi

Hafteha migzare amma gole man nayoumade
Daram az ghosse mipoosam cheghad in roozah bade

Poram az tanhaei poram az ghosse gham
Bikhiyal aslan to nemifahmi chi migam
