For you, I could do anything
For your love, my heart cries
Take my heart, my love my everything
For so long I've needed your love

Oh, when, when you first came to me
I-I-I-I doubted your love
But now you mean everything to me
And each day I love you more

For you, I could do anything
For your love, my heart cries
Take my heart
(Take my heart)
My love, my everything
(Take my love)
For so long
(Take my heart)
I've needed you
(Take my love)

Take my heart
Take my love
Take my heart
Take my love
Take . . .
