Ian: My name is Ian Underwood and I am the straight member of the group

(Ha ha ha!)

Suzy: Wowie Zowie!

Ian: One month ago I heard The Mothers of Invention at the theater. I heard them on two occasions, and on the second occasion I went up to Jim Black and I said, "I like your music, and I'd like to come down and play with you." Two days later I came up to the recording session, and Frank Zappa was sitting in the control room. I walked up and said, "How'd you do, my name is Ian Underwood and I like your music and I'd like to play with your group." Frank Zappa says, "What can you do that's fantastic?" I said, "I can play alto saxophone and piano." He said, "All right, whip it out."
