I be zoomin full speed  
Cuttin niggas when I fly past  
Open woam no bleed

For my music to bang  
I gotta go to a darker stage  
Turn the page from my past  
Run for 1st never last (she said she said)  
I thought I saw u fly by  
Because I'm fly guy high  
Don't hear that ( he said she said )  
Cuz I'm fly guy high  
Fly by like a fly  
An say hi  
Bite ya girl a lil  
And don't say why  
Flyer than plane wings  
Now girl can I take u out  
Maybe buy u a couple things  
Feel the rush yes it seems
