INTRO

Looking over there, I'm looking everywhere
Can you help find, Can you help find me a girlfriend

VERSE 1

I'm 5'10
Brown skin
So lil mama
Can we leave around ten
A good girl is hard to find
You say
It's 20 over there and 20 over there
I can't see em lil guy I'm blind
So I guess it aint her next please
Excuse me waiter check please
Lets go

HOOK

Looking over there, I'm looking everywhere
Can you help find, Can you help find me a girlfriend
Lets go
Looking over there, I'm looking everywhere
Can you help find, Can you help find me a girlfriend
Good Girl Girlfriend
Girlfriend yea

VERSE 2

I can't find her I need glasses
Oh this ya schedule can I walk you to ya classes
The fact is
I wont annoy ya and poke you like a cactus
I can sooth ya maybe a sweet massage
My first thought aint to park my car in yo garage
Ha you don't believe that
You'd rather throw us away like a piece of garbage
So fallback
You say you bossy I don't want all that

HOOK

Looking over there, I'm looking everywhere
Can you help find, Can you help find me a girlfriend

Lets go
Looking over there, I'm looking everywhere
Can you help find, Can you help find me a girlfriend
Good Girl Girlfriend
Girlfriend yea

BRIDGE is it you (x4)
Girlfriend I'd ask her to come chill with me only if I
could find her you see

HOOK
Looking over there, I'm looking everywhere
Can you help find, Can you help find me a girlfriend
Lets go
Looking over there, I'm looking everywhere
Can you help find, Can you help find me a girlfriend
Good Girl Girlfriend
Girlfriend yea

OUTRO Is it you (x3) or is it you
I'm looking for I'm looking for her I'm looking for a
girlfriend
