Jesus can you help us klaim our soul bekauze we're
searchin' 4
peace
Searchin' 4 peace dear Lord can you help me [help
me{echos'z}]
[Got great surrenity for all to send up into me-
-Keep me from hurt harm n' danger n' be a friend to
me {X:2}]
I testified against those liez kauze I'm Searchin' 4
Peace
I hug on my heart and clentched my soul
And asked the Lord can I roll
I wouldn't be makin' it to these places wit my people Mo
Thug
Don't playah hate us me stop playin' n' get the prayin'
dear Lord
Before you blow your horn n' open up your door like
Mathew burst
Instead you komin' this scripture betta be ready boy I'm
ready
To make ah' change with in myself and bowdown
To the playah hataz shady ladiez drivin' me Krayzie
But I don't stress bout the bull sh*t that they talkin
about
I drop to my kneez and givez up p'z to the Lord
Open up yo doors
And let yo' peoplez knoe what time it is
Gotta shine again
Your heart be fillin' wit laughter
The joint has passed us
You got them angels tryin' to run
You grab them rocks be hittin' the ground
You got them hornz blowin'
Still but knowbodyz knowin'
But its bizz*

Jesus can you help us claim our soul bekauze we're
searchin' 4
peace
Searchin' 4 peace dear Lord can you help me [help
me{echos'z}][X:2]

Konfuzion' hostility bumpz on me everyday
I often pray to God so please show me a bettah way
Stugglez are much harder the man'z gettin' smarter
It'z gettin' so I kan't even make an honest dollar
Mommaz on welfare pap'z a freakin' lunatic
I'm just a young brother who'z trapped in a wrong pit
Just like my man Daniel I kan stand the test ah' time
But my mind doez tend tah' wander away in time
But otherwize I stay strong n' keep ma faith
Try not to flip-out when I got you hungry lionz in ma
face
Steady steamin' on ah' way to kome off ah' me
Please Lord help me-Deliver me from this agony...

Jesus can you help us claim our soul bekauze we're
searchin' 4
peace
Searchin' 4 peace dear Lord can you help me [help
me{echos'z}][X:2]

Keepin' wizdom in my life but it'z evil'z in my sight
So I pray to the Lord to bless my soul n' take kontrol
I know it'z almost time to go
Raisin' the death yo' werd is kept.
Now Jesus when but I kannot slippin'
Take your trip to an endelss pit
So right about hate it makez me sick
Searchin' 4 Peace n' I'm on my kneez
God help me maintain n' Jesus
Name I want these here within' a burning flame
Gotta make change One life to live
And I give my all to you But Demonz scheme'n
Thinkin a nigga slippin' He got me trippin'
Take this proposition n' listen Just stay on ma mission
And lose if usin' my mental Polutin' my temper
Remeber there'z life after death-Keep yor health
Now thatz where-Don't play yourself
Sometimez it'z left-Be peace wit yourself be peace

Jesus can you help us klaim our soul bekauze we're
searchin' 4
peace
Searchin' 4 peace dear Lord can you help me [help
me{echos'z}][X:4]
