It's the Queen  
(That's the Queen, it's the Queen)  
Yeah, the Queen has arrived  
She's collectin' all the royalties  
(As an angel falls, tell me the name of me, the Thug  
Queen)  
It's the Queen  
(That's the Queen, it's the Queen)  
She's devoted to thugs, so we show her love and  
loyalty

Thug on the corner sellin' drugs  
E.C. where I run, about my life, don't give a fuck  
It's 'cuz stealin' my Mama weed just to smoke on blunts  
Stealin' forty-ounces from the Arabs  
To stay fucked up, mentally stuck  
Feelin' I'm a little nigga with no nuts

Just for a double up, helpin' the devil  
Turn this soldier's soul to dust  
Who can I trust when I'm just livin' for lust?  
I lost my Daddy to the shit, the drug epidemic  
Got everybody and they muthafuckin' mama sinnin'  
Just wishin' for new beginnings, prayin' the Lord will  
forgive me  
Just searchin' for what's missin'

It's the Queen  
(That's the Queen, that's the Queen)  
Yeah, the Queen has arrived  
She's collectin' all the royalties  
(Forever humble, forever devoted, this queen is  
humble)  
It's the Queen  
(That's the Queen, that's the Queen)  
She's devoted to thugs, so we show her love and  
loyalty

No direction, knowin' nowhere to turn  
Mama say I'm actin' too grown, she kick me out  
On my own, so alone, no place to call home  
Hear a angel tellin' me, just stay strong

(You better be strong, just stay strong)  
Bailin' back to Land that I call my home  
My friends have turned to foes 'cuz I went broke

Ain't had shit to eat but potato chips in about a month  
On the block losin' focus, in the front of the church,  
sellin' dope  
Feelin' hopeless, copeless 'cuz I'm homeless  
Shit, I gotta serve to eat, feel the Lord hate me  
'Cuz I'm livin' in a world so shady  
Stay intoxicated so my problem don't over weigh me  
Prayin' daily that the Lord'll help me  
Lord save me, devil raid me

It's the Queen  
(That's the Queen, it's the Queen)  
Yeah, the Queen has arrived  
She's collectin' all the royalties

Queen with a seed inside of me  
Off springs of a black queen  
Planted secretly by Almighty  
Ignite a flame inside of me  
Gotta use another strategy  
These streets ain't helpin' me  
See, my destiny is servin' fiends

Basically helpin' my enemies  
Destroy me and my self-esteem  
Through all the sinnin'  
A Queen shine from inside of me  
Gifts given to me, my qualities, Mo Thug, my family  
We'll always be forever devoted to the thuggish side of  
me

The Lord presents to the world the Thug Queen  
(Thug Queen)

It's the Queen  
(That's the Queen, it's the Queen)  
Yeah, the Queen has arrived  
She's collectin' all the royalties
