Honey honey how he thrills me uh-huh honey honey
Honey Honey Nearly kills me uh-huh honey honey
I heard about him before
I wanted to know some more
And now i know what they mean hes a love machine
Oh he makie me dizzy
Honey Honey let me feal it uh-huh honey honey
Honey honey dont conceal it uh-huh honey honey
The way that you kiss goodnight
The way that you hold me tight
I feel liuke i want to sing when you do your thing

Honey Honey touch me baby uh-huh honey honey
Honey honey hold me baby uh-huh honey honey
You look like a movie star
But I just like who you are
and wanted to say the least
You a dog on beast
Honey honey how you thrill me uh-huh honey honey
Honey honey nearly kill me uh-huh honey honey
I heard about you before
And wanted to know some more
And now Im about to see
What you meen to me
