Dont go wasting your emotion, lay all you love on me

Dominic:I wasn't jealous before we met  
now every man that i see is a potential threat  
and im possessive it isn't nice  
you've heard me saying that smoking was my only vice  
but now it isn't true, now everything is new  
and all i've earned has over turned, I beg of you.

Amanda:dont go wasting your emotion lay all your love  
on me....

It was like shooting a sitting duck, a little small talk a  
smile and baby i was stuck,  
i still dnt kno wat you've done to me  
a grown up woman should never fall so easily,  
i feel that kinda feel when i dont have you near  
unsatisfied i skip my pride i beg you dear....

Dominic:dont go wasting your emotion lay all your love  
on me,

dnt go sharing you devotion lay all your love on me....

Amanda:i've had a few little love affairs they didn't last  
very long and they been really scarce

Dominic:i used to think that was sensible  
it makes the truth even more incomprehensible

Both:cause everything is new and everything is you  
and all i've earned has over turned wat can i do.....

Dominic:dont go wastin your emotions lay all your love  
on me  
dont go sharing your devotion lay all your love on me....

Amanda:dont go wasting your emotions lay all your  
love on me  
dont go sharing your devotion lay all your love on  
me.....
