I've been cheated by you since i don't know when  
So I made up my mind it must come to an end  
Look at me now will I ever learn  
I dont know how but I suddenly lose control  
There's a fire within my soul

Just one look and I can hear a bell ring  
One more look and I forget everything  
Whoa oh mama mia here I go again  
My,my how can I resist you  
Mama mia does it show again  
Why,why just how much I've missed you  
Yes I've been broken hearted  
Blue since the day we parted  
Why,why did I ever let you go  
Mama mia now I really know  
My,my I could never let you go

I've been angry and sad 'bout the things that you do  
I can't count all the times that I told you we're through  
And when you go, when you slam the door  
I think you know  
That you won't be away too long

You know that i'm not that strong

Just one look and I can hear a bell ring  
One more look and I forget everything  
Whoa oh mama mia here I go again  
My,my how can I resist you  
Mama mia does it show again  
Why,why just how much I've missed you  
Yes I've been broken hearted  
Blue since the day we parted  
Why,why did I ever let you go  
Mama mia even if I say  
Bye,bye leave me now or never  
Mama mia, it's a game we play  
Bye,bye doesn't mean forever

Mama mia here I go again  
My,my how can I resist you

Mama mia does it show again  
Why,why just how much I've missed you  
Yes I've been broken hearted  
Blue since the day we parted  
Why,why did I ever let you go  
Mama mia now I really know  
My,my I could never let you go
