i was watching girls go by on bicycles
in Osaka in the rain
riding with one hand holding umbrellas
in Osaka in the rain
and i thought if i took some pictures
and read some Buddha scripture
if i brought them home even though i was alone
you could see me walking
in Osaka in the rain
i was looking up and feeling down
in Osaka in the rain
spinning upside down and around
in Osaka in the rain
and it's tomorrow where i am
seems i've left you behind again
even if i stop the world will not
i would still be walking
in Osaka in the rain
one hundred eighty miles an hour
in Osaka in the rain
this bullet train's got super powers
in Osaka in the rain
and i've gotten used to rockin' this way
when i gotta go that's when i wanna stay
i'll come again and bring you then
we'll go walking
in Osaka in the Rain
