watch it people
blood on the feather
blood on my father
and now it's a comin' down quick, look out
saw my father indian
dying down in garbage land
now misery won't say goodbye
man i'm all messed up inside
like billy jack's soul attack
i'm one injun you won't forget
bad mutha rollin' mean and proud
see the lord of hate, come down
down, falling gently
stargazin' child
i'm silent and sick
when i lose my head
and you go down quick
the blood runs red
and now you're dead
the blood runs red
from love's revenge
the blood runs red
and now you're dead
the blood runs red
i'm glass on skin
spiritman my crazy friend
i'm broken glass across the skin
baby come i'm undone
yes i am the red man's son
a child insane in voodoo's game
they'll ride my carousel of pain

broke promise is the hollow sound
makes my anger ring so loud
down, falling gently
some lightning white
and a little junk
now the old chief rides
on a different horse
the blood runs red
and now you're dead
the blood runs red

from love's revenge
the blood runs red
and now you're dead
the blood runs red
i'm glass on skin
ha ha ha, ya better find the preacherman people
see the water flow down like a war dance in the rain
[guitar solo]
down, falling gently
stargazin' child
i'm electric trip
i set the spirit wild
and let the beauty drip
the blood runs red
and now you're dead
the blood runs red
from love's revenge
the blood runs red
and now you're dead
the blood runs red
i'm glass on skin
