mood for some, i'll be king
yes the king of everything
bring it on, child it's time to go
mood for love, see i, i need to know
bright shiny one
dance in the sun
get down
down on the gun
rise, said won't you ride on
she does this she does that
everlastin' love knows all my tracks
pushin' hard climb inside my mind
i got to get to the other side

bright shiny one
dance in the sun
get down
down on the gun
rise, said won't you ride on
[guitar solo]
kick by kick walls do move
mystery tries to find her groove
miss glitter i know ya taste like
bring it on 'til we explode
bright shiny one
dance in the sun
get down
down on the gun
rise, said won't you ride on
