"When I'm Gone"

When the ice melts on the high place
that divides my head from my heart
when i can't look away
when i know i can't stay
I'll take that with me when I'm gone
I'll take that with me when I'm gone

when i step out of the shadows
if for only a moment in time
and the clock stands still
at the top of the hill
I'll take that with me when I'm gone
I'll take that with me when I'm gone

Show me the iron gate where I lay my body down
The face behind the veil
where I'm lost and where I'm found
where I'm lost is where I'm found

now the hard rain falls on me
to the valley i will go down
with the love we share i can go anywhere
and I'll take with with me when I'm gone
I'll take that with me when I'm gone

salaam salaam salaam ilaylaylay
salaam salaam salaam
salaam salaam salaam ilaylaylay
salaam salaam salaam (ilaylaylay)

salaam salaam salaam ilaylaylay
salaam salaam salaam ilaylaylay
salaam salaam salaam ilaylaylay
salaam salaam salaam

Halleluyah...

Show me the iron gate where I lay my body down
The face behind the veil
where I'm lost and where I'm found
where I'm lost is where I'm found

Halleluyah...
