Drummer Matti Torro's Will Never Explain These Lyrics

...

Twentyeighth Floor The Window Is Open  
I Close My Eyes And I Feel The Breeze  
This Luxury Suite Is Too Much For Me  
For Who Am I Livin? For  
Tonight I Make My Move  
I'Li Go Out And Run To You  
Neon Figures Surrounding Me  
And I Scream Again And Again  
Can You Forgive Me

I Wasn't There When You Needed Me  
Forgive Me  
I Wasn'T There When You Needed Me  
Another Day Somebody Calls  
I Try To Answer Blood's Rushing In My Veins  
Am I Awake Or Am I Dreaming  
There Is No One Here  
Tonight I Make My Move.....  
I Deny My Lies And I Realize  
My Life Is Not The Same As Before
