The Song Was Written After The Boys' Night Out At A  
Topless Bar...

If You Need Some Action , I Know The Best Place In This  
Town  
Just Around The Corner Lives A Girl Who Makes The Sun  
There's No Way To Phone Her, You Can Always Knock  
Her Door  
I'LI Give You The Secret Word And She'S Crawling On  
The Floor  
Dance Dance My Girl  
Dance Dance  
Dance Dance My Girl

Dancer, One Night Queen Tonight  
Dancer, Dont Let Her Out Of Your Sight  
Dancer, Eat Her Alive With Your Burning Eyes  
Take A Really Good Look Now , You Won'T See Her  
Again  
Forbidden Pleasure Maker, Oh Yeah My Woman  
Is She Real Or Phantom, Or Only Trick Of You'r Mind  
I'LI Give You The Secret Word And You'll See Love And  
Grind
