The First Version Of This Song Was An Acoustic Ballad.
It Turned Out So Well, We Decided To Add This Version
As A Bonus Track ...

Close Your Eyes, Tell Me What You See
Emptiness, Or Only Just Me
I'm Still Waiting, I Can'T Explain
Why My Only Love Left Me In Pain
I Don'T Want Believe Tomorrow

I Can'T Stand Living Out My Life
And I Fly, I Can'T Stay
My End Of Time Takes Me Far Away
Where I Go Now I Just Don'T Know
I Have Lost Your Love And Now You'Re Gone
I'm Still Waiting , I Can'T Explain
Why My Only Love Left Me In Pain
