Powerful Ballad With A Progressive Attitude

Neon Signs And Fading Echoes
Confusing Me
Blinded By The Loneliness
I Still Can'T Be Free
I Have Lost Everything
I Ever Had
Everything That You Gave Me
Turns To Sand In My Hand
All My Love Just Fades Away
When The Sun Turns To Rain

All My Dreams And Hopes Are Gone
When My Love Turns To Pain
Every Other Day
I'M Just Looking For A Reason To Stay
Every Other Day
I'M Lookin For The Reason
Lost And Lonely I Was
And I Am Again
Thrown Away All My Feelings
Every Other Day
