The Theme Of The Song Reminds Us That Everybody Is Free To Speak Their Mind.

Now That You'Re Gone Out Of My Life  
My World Is Empty Without You  
Nothing Left And All The Memories  
Make My Heart Bleed  
The World Is A Lonely Place Now  
Too Much Sadness Too Much Pain  
It Makes Me Insane  
I Pray My God Who Ever He Is  
I'M Gonna Find You By My Side  
Through The Gates Of Heaven I Flow

Im Heading T'Wards The Light  
The World Is A Lonely Place Now....  
I'll See You In Heaven'S Garden  
I'LI Get Finally Piece Of Mind  
I'll See You In Heaven'S Garden  
We'LI Be Forever Unified  
No One Knows What I See  
Or What I Feel Inside Of Me  
Im Gonna Do What Ever It Takes  
Before My Heart Breaks  
The World Is A Lonely.....  
I'll See.....
