Very Emotional Ballad About People Ignoring What's  
Going On Around Them.

All The Time I Feel  
Sorrow For You  
Why This Happens To You  
You'Re An Innocent Angel  
Television Tells A Sad Story  
A Fairytale Without Glory  
So Many Questions In Your Eyes

So Many Answers Winged With Lies  
First They Give Then They Take  
Time Won'T Heal The Wounds What They Make  
How Can I Cry If I Don't Know Your Name  
Feelings Inside Me  
Pray That You Stay  
All The Time..  
How Can I Cry.....
