Sami Huotari's Heartbreaking 'Symphony', After He Broke-Up With A Lovely Girl ...

Gotta Tell You Story That Made Me Feel Real Jazzed
I Met A Girl With Curls And The Evil Cast
She Gave Her Love ?N? Made Me Act Like A Fool
Now I'M Here, Lonely, Aint That Cruel

Now I'M Lonely Please Come Back To Me
I'M Crying But You Just Can'T See
So Many Times I Tried To Tell What I Feel
But Every Time My Words Got Under Your Heel
I Blame Myself I Ever Let You Go
Now I'M Here , Lonely As You Know
