"A-OK"

This time I thought I'd listen
And the story goes, I am the same
Without medicine I can't pretend
It never ends

I'm fine, I'm fine
These words are all I have to hide
Behind, so get behind me
You have no right to say

I shut my mouth and walk away
From the memory game
So don't forget, don't forget
I am the reason

Long lasting this obsession
From sleepless Mays to Denver cold
Somewhere in between
I threw myself away

Someday you'll understand
That everything is A-ok
Someday you'll understand
That everything is A-ok

I shut my mouth and walk away
From the memory game
So don't forget, don't forget
I am the reason

It's funny when you say you're A-ok
It's funny when you say you're A-ok

I'm fine, I'm fine
These words are all I have to hide
Behind, so get behind me
You have no right to say

I shut my mouth and walk away
From the memory game
So don't forget, don't forget
I am the reason

I shut my mouth and walk away
(You're A-ok)
From the memory game
So don't forget, don't forget
(You're A-ok)
I am the reason

Someday you'll understand
(You're A-ok)
That everything is A-ok
(You're A-ok)
Someday you'll understand
That everything is A-ok
(You're A-ok)
