This time I thought I'd listen  
And the story goes, I am the same  
Without medicine I can't pretend  
It never ends

I'm fine, I'm fine  
These words are all I have to hide  
Behind, so get behind me  
You have no right to say

I shut my mouth and walk away  
From the memory game  
So don't forget, don't forget  
I am the reason

Long lasting this obsession  
From sleepless Mays to Denver cold  
Somewhere in between  
I threw myself away

Someday you'll understand  
That everything is A-ok  
Someday you'll understand  
That everything is A-ok

I shut my mouth and walk away  
From the memory game  
So don't forget, don't forget  
I am the reason

It's funny when you say you're A-ok  
It's funny when you say you're A-ok

I'm fine, I'm fine  
These words are all I have to hide  
Behind, so get behind me  
You have no right to say

I shut my mouth and walk away  
From the memory game  
So don't forget, don't forget  
I am the reason

I shut my mouth and walk away  
(You're A-ok)  
From the memory game  
So don't forget, don't forget  
(You're A-ok)  
I am the reason

Someday you'll understand  
(You're A-ok)  
That everything is A-ok  
(You're A-ok)  
Someday you'll understand  
That everything is A-ok  
(You're A-ok)
