Iâ€™ve got a lotta things to do tonight
Iâ€™m so sick of making lists
Of things Iâ€™ll never finish
Iâ€™ve lived here for the last 12 years
Since early 1995 all my shit has been in boxes
But if I had a little more time to kill
Iâ€™d settle every little stupid thing
Yeah youâ€™d think that I would

But Iâ€™m too tired to go to sleep tonight
And Iâ€™m too weak to follow dreams tonight
For the first time in a long time I can say
That I want to try to get better and
Overcome each moment
In my own way

I wonder if Iâ€™ll ever lose my mind
I tried hard for awhile
But then I kind of gave up
Winter is killer when the sun goes down
Iâ€™m really not as stubborn as I seem
Said the knuckle to the concrete

But Iâ€™m too tired to go to sleep tonight
And Iâ€™m too weak to follow dreams tonight
For the first time in a long time I can say
That I want to try to get better and
Overcome each moment
In my own way

Iâ€™m not saying that Iâ€™m giving up
Iâ€™m just trying not to think
As much as I used to
Cause never is a lonely little messed up word
Maybe Iâ€™ll get it right some day
For the first time in a long time I can say
That I want to try
I feel helpless for the most part
But Iâ€™m learning to open my eyes
And the sad truth of the matter is
Iâ€™ll never get over it
But Iâ€™m gonna try

To get better and overcome each moment
In my own way

I sure want to get back on track
And Iâ€™ll do whatever it takes
Even if it kills me
