You better be ware the odds,  
Call it what you will, it's a dangerous compromise  
To stagger along the line, gripping at the quick fix,  
Tangled in your faulty lines  
As burns are bleeding, I'll say it again  
This part holds me in

Chorus:

Watch me now, I made it to the big time major leagues  
I made it to the big time major leagues  
I made it but I don't know what it means,  
I made it to the big time major leagues  
Watch me now!

A frivolous... crawling up your inside, splinters of your  
new remorse  
A damaging repertoire, gotta make it stick,  
Gotta stick it to the floor somehow  
Whispers are bleeding, I'll say it again  
This Wart holds me in

Chorus:

Watch me now, I made it to the big time major leagues  
I made it to the big time major leagues  
I made it but I don't know what it means,  
I made it to the big time major leagues  
Watch me now!

On and, I'm crystal clear  
Watch me now There's only you  
Everything I can't be

Chorus:

Watch me now, I made it to the big time major leagues  
I made it to the big time major leagues  
I made it but I don't know what it means,  
I made it to the big time major leagues  
Watch me now!
