Have you had enough?  
Are you tough?  
Are you broken?  
Hit me where it hurts,  
Don't just curtsy and sulk  
I know I deserve every elegant word that you're hurling  
at me  
When I listen to your voice squawk and noise I am  
thinking  
How to count em back  
With some nonsense and stink  
I seal it to raindrops of love forming under your eyelids  
As I push you too far

I know I'm a son of a gun  
Pissing it all just for fun  
You're over dramatic  
I'm aerodynamic  
It's oh so romantic,  
That's why I'm a son of a gun.

When we started out there was doubt there was caution  
But I wore you down with my slapstick and passion  
Tricks of the trade I'm a loveable knave I'm a handful  
it's true  
All the itty bitty quirks used to work in my favor  
Now they tend to rot tend to affect your behavior  
I'm still the same freakanomical pain but I love ya  
And that will never change

I know I'm a son of a gun  
Pissing it all just for fun  
You're over dramatic  
I'm aerodynamic  
It's oh so romantic  
That's why I'm a son of a gun

(Oh... yeah... turn it up...)

You're over dramatic  
I'm aerodynamic

It's oh so romantic  
Our hearts filled with panic  
If you're the titanic  
I'll swim the atlantic  
Cantations I can kick  
To movies you don't think I hate  
Those romance flicks  
That's why I'm a son of a gun
